

K-LOVE serves me, my family and friends as a resident of the local community, by broadcasting a positive and encouraging enviroment. The effect on the local community if K-LOVE were to be displaced by an LPFM broadcaster providing other programming would be a tradgity, we need more positive in this world, less negitive. I believe that the service provided by K-LOVE is in the public interest as a positive force and to encourage communities around the world. Please keep Klove on the air around the world, it is a beautiful thing.
